The Premium Plan offers students the best value to take full advantage of dining at Tufts, and you don’t have to think about planning your own meals. You have the option to visit Carmichael and Dewick-MacPhie Dining Centers multiple times each meal period. In addition, you have four guest meals and $75 in JumboCash each semester.

First-year students on the Premium Meal Plan have access to the Dining Centers seven days a week. Enter as often as you’d like for a full meal, a quick drink, or a snack. The variety is extensive; the food is fresh, healthy, and delicious.

In a hurry? There are also take-out options for students on the Premium Meal Plan. Hodgdon Food-on-the-Run and Pax et Lox Glatt Kosher Deli have take-out meals, snacks, and drinks.

Both locations accept meal plans. Learn more about Meal Plan Takeout on page 6.

Please Note: All food at the dining centers must be eaten in the dining centers.
Carmichael Dining Center

Anything but Ordinary Uphill Dining

We think you’ll love Carmichael’s friendly, intimate atmosphere and broad variety of food. Carmichael is the place to be for uphill dining and one of the two main places to use your meal plan. At Carmichael, it’s all about great options, all the time. Fresh and flavorful stir-fry nights, hearty salads, comfort foods like mac and cheese and chicken pot pie, make-your-own burritos, daily soups, freshly baked bread, burgers, and veggie burgers are just some of what you can expect to find on the menu at Carmichael.

Carmichael’s extensive fresh salad bar with loads of veggies, greens, toppings, tofu, cheeses, and dressings will suit every palate. Delicious whole grain, vegan, and vegetarian meals include Tofu and Vegetables with Peanut Sauce, Superfood Salad, Veggie Enchiladas, and Moroccan Chickpea Stew. Perfectly roasted and carved meats and savory pasta dishes (including gluten-free pasta) taste as good as they sound. Want more? Carmichael makes hand-tossed pizzas during lunch and dinner on our own homemade dough. Desserts are baked daily in our own Tufts Bake Shop. We usually have soft-serve ice cream and yogurt, and we always have fresh apples, oranges, bananas, and seasonal fruit.

Late Night at Carmichael

Need a late-night snack or meal on Friday or Saturday? Students on a meal plan or anyone looking for a tasty bite can use a meal swipe between 9 p.m. and 1 a.m. Selections alternate between a burrito bar, veggie burgers, meatball subs, and more.
Dewick-MacPhie Dining Center

Anything but Ordinary Downhill Dining

Dewick-MacPhie Dining Center has a great variety of delicious food made fresh and from scratch with the best ingredients. With a large and open serving area, abundant seating, and flavorful foods prepared on the spot, Dewick is a favorite destination. It is our main downhill location to eat on your meal plan, and you’ll find something for everyone’s tastes.

Come enjoy a vast salad bar with baby spinach, crisp greens, kale, colorful veggies, and tasty dressings. Dewick has the largest selection of vegan and vegetarian food on campus. Try our Vegan Chick’n Fajitas, Jamaican Jerk Tofu, or award-winning Vegetarian Chili. Enjoy grilled and slow-roasted meats and fish including carved Ginger Sesame Flank Steak, Seared Orange Chipotle Pork Loin, and Parmesan Herb Tilapia. Our panini presses are perfect for toasting your favorite sandwiches. And, expect fresh steamed veggies and grilled chicken breast daily, and local seafood prepared at least once a week. Dewick serves homemade desserts, ice cream, fair trade coffee and tea, and fresh fruit as well.

Dewick-MacPhie Dining Center also has a separate walk-in pantry solely designated for preparing food that’s gluten free or tree nut/peanut free. Contact our dietitian for information and access.
Meal Plan Takeout

Just because you’re on the go doesn’t mean you can’t enjoy a fresh, healthy meal on campus. Hodgdon Food-on-the-Run and Pax et Lox Glatt Kosher Deli accept meal plans for take-out food — and the selections are awesome at either location!

Each meal period, students on a meal plan have a dollar equivalent that can be used at Hodgdon and Pax et Lox for takeout. Visit either location using a meal plan swipe once each meal period. If you visit Pax et Lox, you can bring your food into a dining center at lunch or dinner as long as you go to Pax et Lox first. If you use your meal plan at Hodgdon, you must wait until the next meal period to go to Carmichael or Dewick-MacPhie Dining Centers.

Hodgdon Food-on-the-Run

Life Made Easy for People on the Run

No time to stop and dine in? Hodgdon Food-on-the-Run is our downhill take-out location. Hodgdon is open for breakfast and stays open later than the dining centers Monday through Thursday. It’s the perfect place to get a quick meal, a snack, or something for later. Try a warm egg-and-cheese croissant or bagel and cream cheese for breakfast; a burrito bowl, a wrap or roll, or some sushi for lunch; or have a piping-hot Asian rice or noodle bowl after class for a late-night dinner. Celebrating? Pick up or order the perfect chocolate, vanilla, or carrot cake for special occasions. Feeling like pasta? Hodgdon serves pasta prepared with your choice of sauces and toppings to order. At Hodgdon, you can even buy a box of cereal and a quart of milk for easy snacking back at your dorm room. Hint: PITA (the Mediterranean station at Hodgdon) has an amazingly fresh, flavorful, colorful, and healthy dinner plate!
Where else can you eat?

Dining operates seven cafés on campus that accept JumboCash, cash, and credit cards where you can get a velvety, handcrafted cappuccino or latte, a crisp salad, or a freshly made sandwich.

Don’t forget, you have $75 in JumboCash to use each semester that comes with your Premium Meal Plan. When dining at Tufts, you should never go thirsty or hungry!

Pax et Lox Glatt Kosher Deli

A Convenient and Delicious Kosher Deli

If you keep kosher or just love a good corned beef on rye, Pax et Lox Glatt Kosher Deli is the place for you. Enjoy made-to-order sandwiches and savory sides for lunch or dinner. And of course, each sandwich comes with a pickle: half sour or dill, made fresh in Massachusetts. Open Monday through Thursday for lunch through dinner, Pax et Lox has hearty sandwiches from homemade Chicken Salad to New York–Style Salami or Soy-Glazed Tofu. Turn up the heat at dinner with hot sandwiches. Try the Latke Reuben, Double Trouble Fish Sandwich, and vegan Tofu Bahn Mi. Hot sides are also served at dinner. Students can use a Meal Plan Equivalent for lunch or dinner at Pax et Lox Glatt Kosher Deli.
The Commons Marketplace

The Campus Social Spot

Looking for a made-to-order tossed salad with grilled salmon or tofu and honey ginger dressing? How about a sizzling Angus beef burger, a hot three-cheese panini, or a Korean Beef Taco with Sriracha? You’ll find it all at the Commons Marketplace, a convenient place to eat and hang out on campus — and it’s open late!

Late Night at the Commons

Burgers, fries, pot stickers, or mac and cheese at midnight? Sounds good to us, too!

The Commons has a late-night menu Friday and Saturday from 9 p.m. until 1 a.m specifically geared toward students on a meal plan, but anyone looking for a quick bite after 9 p.m. can stop by the Commons, whether they’re on a meal plan or not. Students on the Premium Plan can use a meal swipe at Commons or Carmichael late on Fridays and Saturdays to enjoy some late snacks right on campus.
