BE SURE YOU HAVE OUR TUFTS DINING MOBILE APP!

How do I get meals on campus?

1. All meals are ordered through the Tufts Dining Mobile App (reservations are made to select food at the Dining Centers). **Remember, you are charged a meal when you make your reservation for Carmichael or Dewick.** Be on time.
2. You can order takeout food on the Mobile App from Commons, Hodgdon, Hotung Café, Kindlevan Café, Pax et Lox, and SMFA Café.
3. The Tufts Dining Mobile App shows which locations are open when and what menu items are available. The app will guide you through the ordering process and let you know when your order is ready for pick up.
4. If you do not have Meals, our mobile app accepts JumboCash and credit/debit cards for Commons Marketplace, Hodgdon, Hotung Café, Kindlevan Café, Pax et Lox, and SMFA Café. Mugar and Tower Cafés are currently closed.

Is Dining2YOU delivering meals?

Dining2YOU food delivery is only for students in Close Contact Quarantine or Isolation. Dining2YOU delivers on campus and within a 2.5 mile radius of the Medford/Somerville campus. Those students who live outside of that 2.5 mile radius, will be given an Uber Eats credit for meal delivery.

See our Dining2YOU FAQs for more info.

How do I get meals in Close Contact Quarantine or Isolation?

It's really simple. Once you are in Close Contact Quarantine or Isolation, you will be invited to order Brunch and Dinner meals using Dining2YOU on the dining mobile app. Dining2YOU food delivery is for students in Close Contact Quarantine or Isolation only. You can email Dining2YOU@tufts.edu if you have questions. Emails are answered between 8a and 6.30p typically.

TUFTS DINING CENTER PPE & CLEANING REQUIREMENTS

Masks – Consistent with the current Massachusetts mandate to wear face masks in all public places, indoors or outdoors, you must wear a face covering to enter any dining location.

Physical Distancing – While waiting to enter a building, or inside a building, follow the signs on the floor to assist you with distancing yourself from others by at least 6 feet. When in doubt, make sure you are at least two arms' length from others. Where seating inside the dining centers is available, carefully read the signs regarding traffic flow and how you should request and receive your food then sit in the dining centers.

Sanitizing Stations – While washing your hands with soap in warm water is best to fight off germs and viruses, using sanitizing solutions is the second-best way to keep your hands clean. Throughout all the dining centers, you will see and be directed to sanitizing stations. Please use these frequently to assist in keeping our facilities disinfected.

Hand Washing – The best defense against any virus is a 20-second washing of your hands with soap and warm water. An interesting fact – washing in colder water and for less time will not ensure your hand safety.

EAT WISELY and EAT YOUR VEGGIES!!!

It's no secret that foods can boost your immune system and help you fight off germs and viruses. Tufts Dining has crafted many new recipes to help you be healthy. Look at our menus and the nutrition section of our Dining Website for more information.

A WORD ABOUT TUFTS DINING EMPLOYEES

Tufts Dining is committed to the safety of our greatest resource – our employees. All Tufts employees are tested regularly for COVID-19 according to the Tufts University testing protocol. To help protect you and our employees, we are required to wear masks, adhere to physical distancing, and follow all the protocols from the Centers for Disease Control and Prevention (CDC).
