ALL TUFTS DINING IS MOBILE ORDER AND TAKEOUT UNTIL FURTHER NOTICE!

How do I get meals on campus?
Currently, the only way to get food on campus is to order through the Tufts Dining Mobile App. Order food for take out at any Tufts Dining location. The app shows which locations are open when and what menu items are available. The app will guide you through the ordering process and let you know when your order is ready for pick up.

Is Dining2YOU delivering my meals when I arrive?
Dining2YOU food delivery is only for students in Close Contact Quarantine or Isolation. Dining2YOU delivers on campus and within a 2.5 mile radius of the Medford/Somerville campus. Those students who live outside of that 2.5 mile radius, will be given an Uber Eats credit for meal delivery. See our Dining2YOU FAQs for more info.

How do I get meals in Close Contact Quarantine or Isolation? It’s really simple. Once you are in Close Contact Quarantine or Isolation, you will be invited to order Brunch and Dinner meals using Dining2YOU on the dining mobile app. Dining2YOU food delivery is for students in Close Contact Quarantine or Isolation only.

Order at Carm2 and Dewick2 for Carmichael and Dewick right now. Your food will be packed by our Dining team and ready for take out. Pick up your Carm2 and Dewick2 orders inside of Carmichael and Dewick-MacPhie Dining Centers until further notice.

What if I don’t have meals or am not on a Meal Plan?
If you do not have Meals, our mobile app accepts JumboCash and credit/debit cards for Commons Marketplace, Hodgdon, Hotung Café, Kindlevan Café, Pax et Lax, and SMA Café. Mugar and Tower Cafés are currently closed.

TUFTS DINING CENTER PPE & CLEANING REQUIREMENTS

Masks – Consistent with the current Massachusetts mandate to wear face masks in all public places, indoors or outdoors, you must wear a face covering to enter any dining location.

Physical Distancing – While waiting to enter a building, or inside a building, follow the signs on the floor to assist you with distancing yourself from others by at least 6 feet. When in doubt, you can always add the “two arms’ length rule” between you and the next person! Where seating inside the dining centers is available, carefully read the signs regarding traffic flow and how you should request and receive your food then sit in the dining centers.

Sanitizing Stations – While washing your hands with soap in warm water is best to fight off germs and viruses, using sanitizing solutions is the second-best way to keep your hands clean. Throughout all the dining centers, you will see and be directed to sanitizing stations. Please use these frequently to assist in keeping our facilities disinfected.

Hand Washing – The best defense against any virus is a 20-second washing of your hands with soap and warm water. An interesting fact – washing in colder water and for less time will not ensure your hand safety.

EAT WISELY and EAT YOUR VEGGIES!!!
It’s no secret that foods can boost your immune system and help you fight off germs and viruses. Tufts Dining has crafted many new recipes to help you be healthy. Look at our menus and the nutrition section of our Dining Website for more information.

A WORD ABOUT TUFTS DINING EMPLOYEES
Tufts Dining is committed to the safety of our greatest resource – our employees. All Tufts employees are tested regularly for COVID-19 according to the Tufts University testing protocol. To help protect you and our employees, we are required to wear masks, adhere to physical distancing, and follow all the protocols from the Centers for Disease Control and Prevention (CDC).

GOT A QUESTION? SUGGESTION?
Tell us what’s on your mind. We’d love to hear from you. Email us at TuftsDining@tufts.edu with your comments, questions, just about anything dining-related!
