FIRST THINGS FIRST

Meals when you arrive on campus:

When I Get to Campus, how do I get food?
When you check in at Cotton House, you select food you’d like to take with you for Breakfast, Lunch, and Dinner that will nourish you until your first COVID-19 test result. Our food selection can accommodate many dietary preferences.

How do I get nutrition information?
You can begin ordering on the Tufts Mobile App for takeout around campus. Carmichael (Carm2) and Dewick-MacPhie (Dewick2) allow only meal plans. All other dining locations accept meal plan equivalents, JumboCash, and Credit Cards via the Mobile App. If you do not live on campus, you can order food or go get food then return to your residence if you are on extended arrival quarantine. If you are not on extended arrival quarantine, you may move about campus freely. If your first test is positive, you will be contacted by a contact tracer and more information about quarantine and isolation along with getting meals and meal delivery from Dining2YOU will follow.

How do I get meals on campus?
Currently, the only way to get food on campus is to order through the Tufts Dining Mobile App. Order food to take out at any Tufts Dining location. The app shows which locations are open when and what menu items are available. The app will guide you through the ordering process and let you know when your order is ready for pick up.

When do I get meals in Close Contact Quarantine or Isolation?
It’s really simple. If you are in Close Contact Quarantine or Isolation, you will be invited to order Brunch and Dinner meals using Dining2YOU on the dining mobile app. Dining2YOU food delivery is for students in Close Contact Quarantine or Isolation only.

ALL TUFTS DINING IS MOBILE ORDER AND TAKEOUT UNTIL FURTHER NOTICE!
Everyone will have to preorder using the mobile app. You won’t be able to walk-in and select food at this time.

Order at Carm2 and Dewick2
Order at Carm2 and Dewick2 right now. Your food will be packed by our Dining team and ready for take out. Pick up your Carm2 and Dewick2 orders inside of Carmichael and Dewick-MacPhie Dining Centers until further notice.

Note: Only students with Meal Plans or Graduate Meals can get food from Carmichael and Dewick-MacPhie Dining Centers this year.

What if I don’t have meals or am not on a Meal Plan?
If you do not have Meals, our mobile app accepts JumboCash and credit/debit cards for Commons Marketplace, Hodgon, Hotung Café, Kindlevan Café, Pax et Lo, and SMFA Café. Mugar and Tower Cafés are currently closed.

Hand Washing
– The best defense against any virus is a 20-second washing of your hands with soap in warm water. It’s really effective. Once you are in Close Contact Quarantine or Isolation, you will be invited to order Brunch and Dinner meals using Dining2YOU on the dining mobile app.

Sanitizing Stations
– While washing your hands with soap in warm water is best to fight off germs and viruses, using sanitizing solutions is the second-best way to keep your hands clean. In all the dining centers, you will see and be directed to sanitizing stations. Please use these frequently to assist in keeping our facilities disinfected.

Hand Washing
– While waiting to enter a building, or inside a building, follow the signs on the floor to assist you with distancing yourself from others by at least 6 feet. If you are in Close Contact Quarantine or Isolation, you may move about campus freely. If your first test result is positive, you will be contacted by a contact tracer and more information about quarantine and isolation along with getting meals and meal delivery from Dining2YOU will follow.

Physical Distancing
– While washing your hands with soap in warm water is best to fight off germs and viruses, using sanitizing solutions is the second-best way to keep your hands clean. In all the dining centers, you will see and be directed to sanitizing stations. Please use these frequently to assist in keeping our facilities disinfected.
